

Ashmore House, Poole, Dorset

Key Features

- Communal conservatory and gardens
- Laundry room
- Off-road car parking
- Learning Disability Support Service
- Emergency Careline unit in each flat

The Scheme

Ashmore House was converted in 2003 to provide supported living accommodation for adults with learning disabilities. There are two self contained flats including one ground floor five bedroom flat and one first floor three bedroom flat. Each flat has individual bedrooms (with sink) with shared communal areas. The scheme also benefits from a communal conservatory and gardens. Plans to remodel the scheme are scheduled for Summer 2009.

Services

As a supported living property customers at Ashmore House receive regular visits from a Team of trained Learning Disability Support Workers. All support is tailored to individual's needs with individual support plans determining the frequency of support visits. Support is delivered alongside domiciliary care and Ashmore House also has 24 hour waking staff. In addition, all flats are fitted with a Careline unit, allowing tenants to access help in an emergency 24 hours a day.
