

Home from Home Day Respite Service

Do you care for an older person?

Are you looking for an alternative to day care?

Do you need a break?

Home from Home provides reliable day respite for carers of older people (aged 55+) in Bournemouth and Poole.

Each person is matched to a 'Host' who is fully trained, insured, CRB police checked and whose home has been safety assessed, thereby allowing the carer some time to themselves with the peace of mind their friend or relative is in a safe environment enjoying a range of different social activities and a home cooked meal.
